Community Meetings for Independent Police Auditor Recruitment

The City of San José is recruiting for a new Independent Police Auditor (IPA) and is interested in receiving community input on the ideal qualities of an IPA. The information collected will help inform the process and evaluation of candidates. Two community meetings have been scheduled to hear and collect input from residents.

The mission of the Office of the Independent Police Auditor (IPA) is to provide independent oversight of and instill confidence in the complaint process through objective review of police misconduct investigations.
